Nestled within this collection of pages are the lives, experiences, works, words of the 2019 graduating class of the Reading School of Art. X? Y? Z? Strawberry? Which generation do we actually belong to? Which part of history do people like us occupy? People like us? In a scramble to locate ourselves, frantic dives into search engines, brisk comparisons of birth years, alas, **Error 404: Not Found**. While the title reflects the struggle to conjure a unifying descriptor for our year group, its contents also celebrate the individualism and diversity seen in the school. In your hands is a collage of stuff, glitches of content, a medley of words, an error-ful yearbook of the class of 2019.

I'VE FOUND MYSELF AS I HAVE GOTTEN OLDER, ADOPTING A WHO GIVES A FUCK ATTITUDE. SOCIETY HAS TOO MANY RULES. LET ME ELABORATE.

NO SPARKLING EYESHADOW AFTER FORTY? SAYS WHO? IF ANYTHING, THOSE LITTLE SPARKLES DIFFUSE THE LINES I'M STARTING TO SEE! THE ONLY ALL MATTE EYESHADOWS I'VE BOUGHT AFTER URBAN DECAY BASICS 1 AND 2 WERE VISEART. I DON'T SEE MYSELF BUYING THE NEW TWELVE PAN PALETTE. AT WORK, NO SPARKLES? SAYS WHO? I ROCK THEM AT WORK AND I'M IN THE MALE DOMINATED ARENA OF FINANCE AND TECHNICAL ENGINEERING. I'VE HAD LONG DISTANCE CLIENTS WHO EXPECT TO MEET A MOUSY NERD AND DO A DOUBLE TAKE WHEN THEY FINALLY MEET ME IN PERSON. I WAS MORE CONSERVATIVE IN MY TWENTIES THAN I AM NOW WHEN IT COMES TO PERFUME AND MAKE UP. I AM STILL INTO CLASSICS WHEN IT COMES TO STYLE - NO PASTELS OR YELLOWS FOR ME. I DON'T CARE IF IT IS THE PANTONE COLOUR OF THE YEAR. I DO WHAT I LIKE. BUT I HAVE BEEN VENTURING WITH MY SCENTS AND ALIEN HAS FINALLY CAPTURED ME.

BUT... I GUESS IT'S OK CAUSE YOU DIDN'T HIT ME

You were overprotective
You were unrelenting

vengeful
You were thoughtless
You were exhausting
VIOLENT

You were bitter
Controlling
You were hurtful
Rude

You would ask for
breaks as you weren't
sure you loved me
But when you came
back you would
treat me like a Queen

You told me to 'shut up' cause I
hit you. You said you didn't feel appreciated
if I didn't have sex with you. You were
boring you

but you listened
to me rant on
Sunday

You would call me fat to
'encourage' me to lose weight
But tell me you loved my
curves

You would point out my
flaws but call me
beautiful

You had a go at me
because your friend would
flirt with me

but told me
he's harmless
to stop touching
my inner thigh

You told me you
would k...

You were overprotective
You were unrelenting

You were thoughtless
You were exhausting

You were hurtful
Rude

YOU WERE POSSESSIVE

You called me a 'spoilt bitch'
But you bought me a
nice gift last week

But told how lucky you felt

You called me a slab
but also called me cute

You wouldn't let
me go out without
texting you every

5 minutes
but told me to
have fun with

my friends

You let your
'BFF' bruise my
body and blame
me for it

You told me you
would k...

You were overprotective
You were unrelenting

You were thoughtless
You were exhausting

You were hurtful
Rude

YOU WERE OVER-REACTING

You would cancel
plans then say I
didn't make time
for you

But we did go on
a weekend
trip away

You said nothing
while your parents
were homophobic
about my sister
but told my sister
to listen to me
that you supported
her

You let a girl at work
think you were single
But you told a girl in a
bar to leave you alone

You were threatening
class

You were confrontational
You were cruel

You were callous
You were argumentative

You were manipulative
You were insensitive

You were combative
You were spiteful

You were a liar
You were scary

You were malicious
You were cruel

You were demanding
You were petty

You were vindictive
You ignored my calls when
my friend died

You were manipulative
but you came to his funeral
with me

You made me think my opinion was
not valid

but listen to me for hours on
end

You were damaging
You were unforgiving

You were overbearing
You were hurtful

You were resentful
You were bitter

You were argumentative
You were liar

You were unsympathetic
You were possessive

You were demanding
You were petty

You were vindictive
You yelled at me in front of our friends

But you would defend my bags
me to them

You made me arguments
but tell me I was right in

You would lie
about where
second guess every-
thing

You told me you
hated my sister and
but assure me later
didn't want me to
hang out with
friends' on some-
times so I know

We went on holiday
you were safe

You were resentful
You were bitter

You were argumentative
You were liar

You were possessive
You were demanding

You were petty
You were vindictive

You didn't help
and laughed

but listen to me for hours on
end

You yelled at me in front of our friends

But you would defend my bags
me to them

You made me arguments
but tell me I was right in

You would lie
about where
second guess every-
thing

You told me you
hated my sister and
but assure me later
didn't want me to
hang out with
friends' on some-
times so I know

We went on holiday
you were safe
